

Ladybird Montessori Nursery

NEWSLETTER AUTUMN TERM 2022

Dear Parents/Grandparents

Welcome to the start of the Autumn term and in particular welcome to all those who are new to Ladybird Montessori. I hope that you have all had an enjoyable summer and are suitably refreshed for our fun and exciting term.

We have already had a fun few weeks, we've got messy with gloop, crafty with glue, made and ate our own sandwiches, learnt new golden classroom rules, read many stories and we're learning new songs. Please see the daily notes on the whiteboard to give you an indication of our day!

Please note the following dates in your diaries and information to help keep the children safe whilst having fun.

Rugby Tots

Started on Monday the 26th of September for 10 weeks. Huge smiles on the children's faces when they saw coach Jon arrive. This is such a fantastic opportunity to enhance the children's gross motor skills and develop their confidence.

Please could the children taking part in rugby tots come to nursery on Mondays in their white polo shirts and comfortable tracksuit bottoms or leggings so they are dressed ready to play.

Harvest Festival

Week of 3rd October.

During the week we have lots of exciting harvest activities planned for the children including making bread and vegetable painting. We will be learning songs and rhymes about healthy eating.

Daily events

Weekly events

Cooking will be on different days throughout the term.

Show and Tell

This will commence again on a **Friday** Morning.

We would love to encourage your child to discuss their chosen show and tell, this really helps their confidence. Suggestions - Something relevant to our weekly topic, medals/trophies, photos, a favourite story. Please do not bring dolls/cars/ toys with no relevance.

Nature table/awards this term

Children can bring anything collected over the week/ weekend to place on the nature tray during the week or any awards or badges that they have obtained outside of nursery.

Word of the week

We are introducing a word of the week to expand the children's vocabulary, listen out and let us know if you hear your child using any new and wonderful words!

Yoga

Yoga and relaxation will be daily after lunch in the afternoon.

Hair

Please could we encourage children with long hair to wear hair slides and have long hair tied back at nursery. The lovely long locks end up painted, dipped in yogurts and sometimes caught up in the toys.

Toys

We would ask that children don't bring their favourite toys into nursery as they get easily lost. New children needing comforters is of course perfectly acceptable.

Policies and procedures

Our nursery policies and procedures and early years information is all on our website. A list of the terms extended activities and your **child's Key teacher** is on display on the notice board. Please take a few moments to check the notice board to see if there are any new notices.

Uniform/ Shoes

Please could all sweatshirts and shoes (Velcro, **not laces please** as we really encourage the children to put on their own shoes) be **clearly labelled**. Children will often remove their jumper and if it's not named it is impossible for us to know who it belongs to.

Stickers/stamp labels to name clothing, bags, lunch boxes are very common and can be bought on various websites. Thank you to all those parents that do already name their children's items, it is extremely helpful to us teachers!

Packed lunches water bottles and snack

Part of our Early Years and OFSTED requirements are to encourage healthy, balanced and nutritious meals.

Please can children bring to nursery, **a named water bottle** (no juice please) a piece of fruit or raw vegetables such as carrots or cucumber.

In addition, milk and a cracker/bread stick are offered to the children at snack time.

No peanut butter, nuts, Frube squeezy yoghurts, crisps or chocolate or sweets please. Packed lunches are stored in the classroom and should contain a healthy sandwich or pasta with perhaps some chopped up cheese or vegetables, carrots/cucumber etc or fruit and a small treat. Please use small containers for mini cheddars etc. No packets please. Children may have yoghurts in a pot with a spoon.

The first steps nutrition trust [http: www.firststepsnutrition.org/](http://www.firststepsnutrition.org/) provides information to support eating well from pre-conception to 5 years from experienced nutritionists. They have an amazing web site with many packed lunch ideas, portion sizes all at a low cost!

Sausages/grapes/tomatoes

Please **chop** up small **sausages, grapes and tomatoes** in the children's lunch boxes. Although there is a teacher at each table these items are the biggest choking hazards for small children.

Birthdays

Children are welcome to bring a cake to school to celebrate their birthdays.
