

HANDWASHING POLICY

Statement of intent

To prevent the spread of infection.

Aim

To encourage the children to wash their hands prior to eating and after craft activities.

Procedures

- Before snack the children will wash and dry their hands prior to eating.
- Before lunch the children will wash and dry their hands prior to eating.
- After all messy play children will wash their hands.
- After visiting the toilet children will always wash their hands.
- After touching animals (for instance, if the nursery has a pet come to visit.)
